DELIVERIES

SAFETY EQUIPMENT LIST – YACHTS

Required

Assorted tools
Bolt cutters
Buckets with lanyards (2)
Emergency steering
EPIRB 406 MHz
Fire blanket
Fire extinguishers (in date)
First aid kit
Flares (in date)
Harnesses (2)
Hacksaw
Jack stays
Life raft
Life rings (drogues and lights)
PFDs (life jackets)
Spare globes & batteries
Spare belt, impeller, fuel filters, oil filter
Spare antenna
Torches (2)
VHF Radio
Wooden bungs on hull fittings

Preferred

Automatic Identification System (AIS)
Danbuoy
HF radio or Satellite phone
Portable VHF
Radar reflector (if no active AIS)
Sound signal
Spare navigation lights
Storm jib
Storm trisail
V sheet

We supply tethers, SARTs and personal PLBs

Yacht must be seaworthy, including recent engine service. Windows and hatches must be watertight. Age of rig should be known. Hull should be reasonably clean and free of weed/barnacles.

Life raft may not be required on shorter passages, or may be hired.

Owners must declare that all required items are on board and in working order. Any items found to be missing will be replaced at owner's expense and any consequent delays charged at \$660 per day.

While we will undertake minor maintenance while underway, any significance maintenance will be charged at \$660 per day plus parts, plus the cost of any contractor.
